

WHAT IS REC WEEK?

Our first-ever, church-wide summer event that brings families and friends together for a week of fun games and lighthearted competition.

HOW WILL IT WORK?

Decide to play and earn points either individually, as a family, or with other families and friends. Pick a team name. Browse our list of games below and make preparations to play as many as you can from **9 am on Monday, June 15 through 9 pm on Thursday, June 18**. Many of the games will be played on your own time, but **note the ones below that are held at a specific time and place**. You are responsible for any supplies.

IMPORTANT: Once you have completed a game or competition, **take a photo/video of you or your team and then post to our [Facebook REC WEEK event page](#) (or [email Will Mitchum](#)) to track and earn points**. Be sure to include your team name on each post.

POINTS

Participating in any of the games below and posting to the Facebook event page earns your team **10 participation points**. Organized competitions that have a winner and runner up earn you more points. **First place team earns 25 points. Second place team earns 15 points.**
